**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition! I choose a small provider because the customer service is excellent and AT&T and Comcast customer service is the worst of the worst. Choices are extremely limited in most of the city where I live, thats a monopoly, competition is critical for consumers and theres basically none already. Dont squash what little competition remains.
